

CHEVROLET/GMC SILVERADO/SIERRA DOUBLE CAB – PART NO. 09041 INSTALLATION INSTRUCTIONS

Congratulations on your purchase of the Husky Gear Box. The Gear Box was designed to fit under the rear seat of your truck or SUV. The Gear Box gives you a place to store loose items and clutter and ultimately help keep your vehicle organized. It's designed to fit your vehicle with or without your Husky Liners in place and only takes a few minutes to install.

PACKAGE CONTENTS

Gear Box – Part No: 09041 (1)
Installation Instructions (1)

INSTRUCTIONS

- 1) Open and remove the Gear Box from the shipping box and protective plastic bag.
- 2) Lift the rear seats into the upright position and remove the jack tools (Figure 1).
- 3) Position the Gear Box so that jack tool threaded stud and the hole located back center on the Gear Box are aligned (Figure 2).
